

Volunteer Policy

It is mandatory that all parents whose children participate in athletics for Grades 5 through 8 volunteer a minimum of 4 hours to athletics events, this does not include school volunteer hours. Volunteer hours will be in two hour blocks and the activities will include working concessions, being gym monitor (which includes gym set up; supervision; and cleanup after), and similar other athletics needs. Parents of students participating in cheerleading will be asked to volunteer at the St. Joe's Cheer-Off Competition. Parents of students participating in track will also be asked to volunteer at the track meets with times to be determined before the track meet.

Per Family- Basketball- 2 shifts, Volleyball- 1 shift, Cheerleading-1 shift (or full-day at the Cheer-Off), and Track-RPAL Track Meet. The specific dates along with on-line registration instructions for volunteering will be sent home as the dates draw near.

I understand that I need to work my required volunteer shifts (2 for basketball , 1 for volleyball, and 1 for cheerleading) in order for my child to participate in these sports.
